HOUSE ACTION IN SLICING FOREIGN AID IS THE SUBJECT OF WHITE HOUSE MEETING

Washington (AP)—Sen. Knowland (R-Calif.) held a last-minute strategy session with President Eisenhower today and reported later they both hope to get back in the Senate a substantial part of the \$809,650,000 House chopped out of foreign aid funds.

The President and the Senate Republican leader held a breakfast conference at the White House. It followed by only a few hours the House action on the mutual security appropriation bill.

Knowland told reporters he doubts the Senate will be able to restore the entire sum the House knocked out but he said he and Eisenhower are hopeful the Senate will restore a substantial part of the reductions.

Knowland added he will have to "explore further on a bipartisan basis" among fellow senators before making any estimate of the amount by which the Senate might raise the figures.

As finally passed by the House last night the measure provides \$2,524,760,000 in new money. Eisenhower had sought the full amount of a previously passed authorization measure—\$3,367,000,000.

The cut of more than 800 million is a net figure taking account of some permanent authorizations needing no new law, and some switching of carryovers from previous appropriations.

Even the authorization figure is half a billion below what Eisenhower originally sought.

Eisenhower came to the door of the north portico and bade Knowland a cordial goodbye, while photographers pictured them together.

This was an unusual gesture for the President to make to a breakfast visitor. It appeared to constitute a follow-up to three special pleas already made this week for foreign aid money.

Knowland frequently has left conferences with the President without seeing reporters.

The senator said there was no discussion today of Eisenhower's calling a special session of Congress in the fall, as he has said he may do if the foreign aid funds voted at this time are inadequate.

Knowland said he thought a special session call would depend on world conditions at the time—that is, that the President might find it possible to get along with existing foreign aid funds until Congress can wind up the present session at the end of next week.

In the teeth of a third Eisenhower warning that the cuts would tamper with America's national interests, the House overrode all moves to boost funds in the committee-approved bill. The vote for final passage was 252-130.

Republicans made half a dozen attempts on the House floor yesterday to preserve portions of the 809 millions slashed by the House Appropriations Committee. But they didn't even come close.

On the 252-130 final roll call 144 Democrats and 108 Republicans voted for passage while 70 Democrats and 60 Republicans voted against.

FULL CALENDAR
Harrisburg (AP)—Judge William H. Neely, acting president of Dauphin County Court, is seeking judicial help for the September session. He said yesterday that because of turnpike and highways Department cases scheduled to be heard during the term beginning Sept. 9, the court needs two additional judges. Trials already listed will extend the session to at least three weeks instead of the usual 10 days to two weeks. Two members of the five-judge local bench will not sit during September because of illness.

WARNING FROM LUTHERANS
Minneapolis (AP)—The president of the Lutheran World Federation today urged Lutherans around the world to face up realistically and boldly to world problems, including "the possibility of universal annihilation." Bishop Hanns Lilje, Hannover, Germany, told the federation that "an international of technological civilization has arisen from which no part of the world is exempted."

THINKS HE HAS BEEN PUNISHED ENOUGH AFTER A YEAR IN PRISON
By CHARLES WHALEN
Chester, Ill. (AP)—Orville Hodge took a long look back today on his first year in prison and observed plaintively, "I've been punished enough."

"This year has seemed like 10 years," said Hodge, choking back the tears. "There's only one thing I think about in here—getting out. It's been awful and sometimes I get so lonesome."

The once flamboyant Illinois state auditor shook his head and said, "I still don't know what happened" in the mammoth state check cashing swindle which crashed down on him and sent him to Menard Penitentiary for 12 to 15 years.

"I'm not blaming anyone for my troubles," he added.

Hodge won't be eligible for parole consideration for another six years and three months, leaving executive clemency as the only avenue to freedom before that time.

He said, however, he hasn't seriously considered asking the governor for leniency.

Hodge holds a \$750-a-month job running the prison's radio system, preparing and showing films, and recording a weekly radio program put on by the inmates.

In disk jockey fashion, he also spins records to meet requests of the 2,300 convicts. Occasionally, he has done some announcing at prison ball games.

Adjustment to prison routine has come hard for the luxury-loving Hodge, but he said he began to acquire a new outlook on life after receiving his present assignment 11 weeks ago.

"Before that, I thought I'd go crazy," he said. "If it hadn't been for the Catholic chaplain, I believe I would have gone out of my mind. The inmates and the warden tell me I'm doing good work now."

Warden Ross Randolph agreed.

HOLD BRIDE FOR FORGERY
Charlottesville, Va. (AP)—A bride of six days faces a forgery charge in police court today. Police said Mrs. Shirley Ann Williams admitted forging a \$100 check to pay for her wedding flowers and other expenses.

WANT TO WIRE TAP?
Harrisburg (AP)—The Justice Department has put up for sale special electronic equipment used for wire tapping. It declared the equipment "unservicable" because a 1957 law prohibits wire-tapping.

Soap Box Derby Champion in Akron for Swirl of Activity Ending With Classic Sunday

Frank Burgett of Lander, winner of the local Soap Box Derby, is being swept along today in a swirl of activity which will be climaxed Sunday afternoon when he climbs into the cockpit of his racer atop Derby Downs at Akron, Ohio.

Frank left yesterday morning for Derbytown just south of Akron where he is quartered with 150 of his fellow local Soap Box Derby winners from across the nation.

Frank zipped down Central Avenue in Warren June 22 ahead of all county competition in the Derby sponsored locally by Dan's Chevrolet, Times Publishing Company, Warren Jaycees, under Derby Director Dana Harland, handled Operation "Swoosh."

From the time they arrived at Akron on Thursday until the final moments of the Banquet of Champions Sunday night, August 18, there will be one big event after another for the boys. But there will be plenty of time for relaxation and fun, too.

All-American week began for the champions when they arrived at Akron Thursday. Behind a special escort, each boy was whisked to All-American Headquarters at the Sheraton-Mayflower Hotel where he mounts the Golden Stairs leading into the lobby, to the cheers of well-wishers.

After the rousing welcome, the champion is specially outfitted with a Derbytown uniform and taken to the camp where he will stay for the remainder of the week except to go to Derby Downs and to the banquet.

Friday, is test day for the champ. Along with other contestants, he will visit the famous Derby Downs race course for a final check-up of his car, last-minute inspection routines and a chance to make a test run down the hill.

Saturday, August 17, is Fun Day for the Champions. Celebrities will visit the camp and wish the boys luck. Industry and business executives will don aprons and caps to serve an outdoor barbecue meal. Championship wrist watches and racing diplomas will be awarded. There will also be moments of leisure for swimming, boating, horseback riding and other sports.

The 20th All-American will get under way promptly at 2 p. m. on Sunday, August 18. The first round heats will be run according to official drawings made on Thursday preceding the race.

Prizes, including \$15,000 in college scholarships, will be awarded at the Banquet of Champions Sunday night.

Getting back to Warren, all persons needing rides or wishing to purchase Derby tickets should meet in front of YMCA at 7:30 a. m. Sunday. Boys are asked to wear Derby shirts, bring helmets and money enough for two meals and souvenirs if desired.

All boys not accompanied by their parents or guardian will be taken home on arrival back in Warren Sunday evening. First race at Akron is 2 p. m.

RESERVED TICKETS STILL AVAILABLE
Reserve seat tickets for "Spectacle of Music" Saturday evening at War Memorial Field will remain on sale at Waxman's until noon Saturday. Then, if any of the 1,600 choice seats are left, the ticket booth will be moved to Style Shop lobby, constituting no violation of Warren's new anti-street hawking ordinance.

General admission tickets will also be on sale at both places. Ticket booth in front of Style Shop will close at 5 p. m. Saturday and reopen again at 6 p. m. at War Memorial Field. There are 2,500 bleacher seats available. Rain rate for the performance is 2 p. m. Sunday. Competitors will draw for position at a meeting at 5 p. m. Saturday in American Legion.

VICE PRESIDENT GREETSS MISS PENNSYLVANIA TODAY
Washington (AP)—A welcoming group headed by Vice President Nixon was ready today to greet Jennie Blatchford, Miss Pennsylvania of 1957, at the Nation's capital.

Miss Blatchford, 23, from Hollidaysburg, Pa., soon will compete in the Miss America contest at Atlantic City.

But today she interrupted her busy activities to accept the invitation of Rep. James Van Zandt (R-Pa.), her congressman and a friend of her father, to a luncheon date in the House Speaker's dining room.

FAIR WEATHER OVER WEEKEND IS FORECAST

Midatlantic States, western Pennsylvania: Temperature will probably average 3 degrees below normal, likely normal or a little below most of the time with no hot spells, fair weather expected over the week-end with possibility of showers early next week but these will likely be spotty and no general rains of consequence are indicated.

PITTSBURGH WATCHMAN FOUND BEATEN TO DEATH
Pittsburgh (AP)—A night watchman was found beaten to death early today in a laundry in the Homewood section of Pittsburgh.

The body of George Wojnar, 55, of Lawrenceville, was found at Black's Linen Service by Charles Zibreg, 31, of Verona, when he reported for work.

Wojnar had been slugged several times on the head, and his body had been wrapped in a sheet.

City Detective Kieran Jennings said robbery was the motive. Glass panels in the building's garage door had been smashed. Also smashed was a coin box. There was no immediate estimate how much money was taken.

JOHN CARMONDY WINS FIRST AT 4-H STATE SHOW
John Carmondy, Jr., 15-year-old president of Cherry Grove Wildlife 4-H Club, has won first place in the Farm and Home Safety Demonstrations held during the 33rd Annual 4-H Club Week at University Park August 12-15. He took the blue ribbon in the highly competitive contest with a demonstration on "Gun Safety". In addition to the first place ribbon he was awarded a set of 4-H cuff links by the State 4-H office. He is the son of Mr. and Mrs. John Carmondy, Cherry Grove.

MONEY AT A BARGAIN
Cortland, N. Y. (AP)—Howard Shaver put a dollar bill in an envelope on display outside his clothing store and marked it down to 77 cents. He said scores of passers-by looked at the sign and 27 picked up the bill and examined it, "but not a soul would buy it."

Remodeling of Still-Standing Annex and Modern Rathskeller Type Restaurant Are Planned

Like the Phoenix of old which rose from its own ashes, the Carver Hotel is about to rise anew from the ashes of its Flame Room.

Mel Anderson announced today that he is remodeling the still-standing hotel annex into a 27-room hotel. From that front facade to Hickory Street Mr. Anderson said he was going to construct the "best" rathskeller-type restaurant in this part of the country.

Mr. Anderson said further that, though the work is being carried out by a new corporation, the name Carver Hotel would be retained, of course.

Construction should be completed quickly. The owner said he had already been in contact with a Cleveland decorating firm and they were working on the decor of the new restaurant. A target date of 60 days has been set.

Entrance to the dining spot will be gained down a flight of stairs from Hickory Street. This will be covered and some sort of building, probably of concrete and glass brick, will front on Hickory Street. The hotel cellar area already excavated for the new restaurant measures about 60 feet from street to present cellar under the old annex, and 34.6 feet in width.

Mr. Anderson pointed out that parking area would be available by the new Keystone station which is being constructed on the front of the former Hotel Carver lot. The century old holstery burned to the ground in April of 1956, with four Ohio salesmen losing their lives in the holocaust.

A suit is now pending before Federal District Court in Erie and a hearing is slated for late this year, probably in November.

The Carver Hotel "annex", incidentally, is that 4-story, red brick building which forms the foot of an "L" with the back of the Moose Club building. The annex was hidden from sight before the hotel burned.

\$1,600 To Be Distributed In Prizes During "Spectacle of Music" Here Saturday Evening

The excitement of marching men, military music, rolling drums and trumpet blare will prevail over War Memorial Field beginning at 8 p. m. Saturday. Reason d'être: Chief Complanter Legion Post 135 second annual drum and bugle corps competition, dubbed this year a "Spectacle of Music."

Lured here with the promise of \$1,600 in prizes are: 32 members of Toledo Demons in red, white and black outfit; 40 members of Batavia Cavaliers in black, red and white; 37 members of Vern-Acklin Cavaliers in Maroon and white; 65 members of Rochester, N. Y. Grey Knights in red, white and blue; and 45 members of Wornleysburg Westshoremans in blue and black.

Combined with them in a two and one-half hour program will be an exhibition by Complanter Drum and Bugle Corps which will not, of course, compete for its own prize money.

To open the program, Warren's Beverly Johnson, as shapely a lass as ever descended the baton twirling pike, will give a demonstration of what she knows best. Part of her act will put her in peril of flaming torches in either hand.

The corps will be judged on the basis of drumming, bugling, marching and maneuvering, and general effect. Drumming and bugling will each count 20 points, with 30 points each for marching and maneuvering and general effect. Critique is based on 100 points possible.

Members of the Pennsylvania-New York Chapter of All American Judging Association who will view the proceedings (at \$25 a day, plus six cents a mile) are: general effect, Dan Cook of Pittsburgh, chief judge; Alden Miller of Rock Hill, N. Y.; Joseph Raschold of Ossining, N. Y.; bugling, Maynard Vellier of Oil City; Leonard Winick of Dunkirk; drumming, Edward Dively, Jr. of Johnstown and Frank Hill of Avon, N. Y.; marching and maneuvering, John Carter of Pittsburgh, James Doyle of Long Island City.

Most of the men will arrive tomorrow but Wornleysburg, which is marching in the Tyrone Centennial parade today, will arrive in Warren this evening and be bunked (Turn to Page Eight)

CELEBRITIES TABBED FOR APPEARANCE IN STAR-STUDDED TRIAL
By JACK LEFLER
Los Angeles (AP)—The defense expects to start tossing its promised shock-filled grenades today in the libel trial of Confidential and Whisper magazines.

Defense Attorney Arthur J. Crowley says he is going to bring movie stars into court to testify whether stories about them in the magazines are true.

The magazines and their alleged Hollywood agents, Fred and Marjorie Meade, are being tried on charges of conspiracy to commit libel and publish lewd and obscene matter.

Crowley was left in a position to summon the celebrities when Superior Judge Herbert V. Walker yesterday declined to rule on the admissibility of their testimony until they take the stand. Judge Walker also refused to dismiss criminal libel charges against the Meades and their Hollywood Research, Inc.

READING PUBLIC FAVORS PAPERS FOUR TO ONE OVER OTHER MEDIA
New York — When they want the news, Americans depend more on newspapers than on television and radio combined, this week's Trendex news poll shows.

Newspapers outrank television better than two to one and radio more than three to one, the poll finds.

For local news, reliance on newspapers is even greater—more than four to one over television and almost four to one over radio.

Trendex interviewers asked a nationwide cross-section whether they depend on newspapers, television or radio for local news and for national and international news. The results in percentages:

	Local	Other	Total
Newspapers	62.2	45.8	54.0
Television	15.1	32.3	23.7
Radio	16.8	15.2	15.9
More than one	5.9	6.7	6.3

Explanations of answers largely fell into general patterns—more than usually happens in national polls.

Those favoring newspapers usually gave one or more of these reasons.

Newspapers give more complete coverage of the news; they carry more news items and more details about each one; they print more interesting short items; they don't neglect home-town happenings as some radio and television stations do. Newspapers can be read at the reader's convenience, while radio and television newscasts can be heard only at specific times.

Readers can go back and analyze news in a paper; if they misunderstand a word or phrase in a newscast the whole item is lost. Newspapers can be read leisurely; a reader can relax between items, while radio and television require constant concentration. Newspapers offer varied opinions and fine writers.

Among the answers that did not fall into the general pattern was that of a Western postal employee who said, "When I read I know it is closer to the truth."

An Eastern steamship traffic manager said he could use newspapers to prove his points in discussions. The owners of an Indiana curio store in the West said, "You don't have advertising jammed down your throat."

IRONING OUT CIVIL RIGHTS CONTROVERSY
Washington (AP)—Rep. Allen of Illinois, top Republican on the House Rules Committee, said today that differences blocking House action on civil rights appear to have been pretty well ironed out.

As House Republicans appeared ready to stage a strategic retreat from their all-or-nothing stand for President Eisenhower's civil rights program, Allen told reporters:

"I think the Rules Committee will meet next Monday or Tuesday to act on the bill. I think things have been pretty well ironed out, and I think we will adjourn with a bill."

Local Aquatic Star Plans To Compete in Area Events

Local Aquatic star, Pat Madden above son of Mr. and Mrs. Joseph Madden, 315 East Fifth avenue, is entering several swimming events this month. Madden, currently lifeguard at Conewango Valley County Club, has not been in competition since he placed well in the district high school swimming meet, but has acquired a busy schedule for August.

Wednesday Pat traveled to Erie to take part in the annual Great Lakes swimming meet held at Kalkwa Club, along with 10-year old Lane Donovan, daughter of Mr. and Mrs. Fred Donovan, RD 3, Warren.

Pat swam in men's divisions placed 4th in 200 yard Individual Medley. Both events were crowded with some of the finest swimmers from 4 states. In 100 yard Butterfly, Madden was hampered by a driving rain which disabled him to turn in his best time for the distance. Pat placed 3rd in his heat, and 4th overall, against a record-studded field.

Young Lane Donovan, coached by Madden placed 5th in the girls 10 and under group 25 yard freestyle race. Lane's time was only 2 seconds behind that of the winner who held the pool record. This was her first try at competition swimming, and big things are expected from her in the future.

On Sunday, August 18, Madden and Donovan will swim in the annual Conewango Valley County Club swimming meet. Donovan will swim in the 12 and under age group for girls and Madden will give an exhibition swim, against time. Both swimmers practice daily at the County Club pool.

Sandra Lee Burns, New Wilmington, took 7 first places and set 5 new pool records, in which was perhaps the supreme effort of the day.

Perhaps the biggest event in store for young Madden is the 1 1/2 mile sprint race across Lake Chautauque. This will take place

Warren Television Corporation Completes the Installation of Five Clear Channels in Borough

The creme de la creme of the world's entertainment, a billion dollars worth of interest every year, is now available in the borough as Warren Television Corporation completes installation of five clear channels.

This kind of service can be found elsewhere only in larger metropolitan areas such as New York, Chicago and San Francisco where numerous stations vie throughout the day for the eyes of the nation, continuing into pre-dawn hours with not only the "Late Show" but its more restless brother, "The Late, Late Show".

No more need Warrenites fiddle with fopover, fight with fade or curse at crinkles across the screen. Warren Television Corporation now has a cable strung into approximately 2,800 homes and good reception not only is getting better, the wide screen has become

OLD "OLD GLORY" FOR IKE—Scarred by seven bullet holes from the Revolutionary War, this historic flag has been offered to President Eisenhower by its owner, Sidney L. De Love, of Chicago. A collector of American historical objects De Love, Jeff, served on General Eisenhower's World War II SHAEF staff as a colonel. He says the 13-star flag was probably made by some soldier's wife or sweetheart before a Revolutionary unit marched off to war. The first official flag, adopted later, had the stars in a circle.

money and know-how which enables WTC to pipe in more of the best.

WTC now distributes its five big channels to nearly all sections of town and those few not now covered will be within the next few weeks, according to Loucks.

What started almost as a community service in this mountain-bounded community has paid off big dividends for all on the ends of the cable. The price is moderate for the millions of dollars in viewing dividends returned, and WTC likes to boast of the very few who once "on" ever get "off" the Myers' line.

Summertime is outdoor time and vacation replacement time for stars who bring the TV world the tops in drama, comedy, variety shows, boxing, wrestling, baseball, football, plus a movie every night (not necessarily one of the best but certainly a handsome choice of the worst on some nights).

But as long cold nights begin creeping down from cold Canadian

air sent over from Russia, it is time that any TV fan considers his best bet locally.

If necessary, installment plans are ready for the asking, monthly charges are low, may drop lower. Community television programs sponsored and produced locally are not in a too distant future. See the group at Warren Television Corporation, 205 East Fifth Avenue, phone 3478. The winter is long and the winter is cold.

Now is the time to check your advertising and listings. Please make sure they are shown correctly.

Now is the time, also, to arrange for additional listings in the new directory to show the names of other members of your family or business firm. Additional listings are almost a necessity if someone at your house has a family name different from yours.

If you are in business, it will pay you to advertise in the Yellow Pages. That's where nine out of ten people look the moment they want to buy your products and services. And you'll be wise, too, to order a Bold Type Listing in the Alphabetical Section.

SUGGESTION FOR IKE

"Unless President Eisenhower asserts more leadership than he did in 1957," in the opinion of James Marlow, Associated Press news analyst, Congress may make a wreck of his last three years in the White House. Marlow has it sized up in this manner:

What happened to his foreign aid program last night—the House cut it to ribbons—can well be a foretaste of things to come.

This year, instead of leading firmly, Eisenhower wobbled all over the Washington scene: backing away from what he proposed, turning cool on what he called for, and undercutting what he urged. He's chalked up a series of big losses.

In his first four years, Eisenhower followed a policy of avoiding personal conflict and offending no one. This kept him out of brawls with Congress and helped him retain his personal popularity.

And Congress was docile, if only because he was the most powerful political figure in the country. He was popular with the people and could still run for a second term. He did and won.

But under the recently amended Constitution, this must be his last term. He can't run again. Democrats haven't had to worry about him so much as a political force any more.

And, since he can't run again and carry them to victory, Republicans have lost some of their need for him too.

Yet Eisenhower continues to act as he did before the second term began, but more weakly and hesitantly; as if all he has to do is ask for what he wants and get it.

He doesn't seem to realize that now he has to fight.

DR. HERBERT A. RINARD

News of the passing of Dr. Herbert A. Rinard, pastor of the First Lutheran church here from 1942 to 1946, as noted in Thursday's issue, was learned with profound sorrow by his host of friends in the Warren area, including Times-Mirror employees, both in the editorial rooms and business office.

A retired Army chaplain, Dr. Rinard numbered his friends by those with whom he came in contact. In his ministry at First Lutheran he was active in many affairs, including the Ministerial Association and the Lions Club.

Dr. Rinard passed away at Veterans Hospital at Lebanon at the age of 79 years. He will be laid to rest in Arlington National Cemetery, Monday.

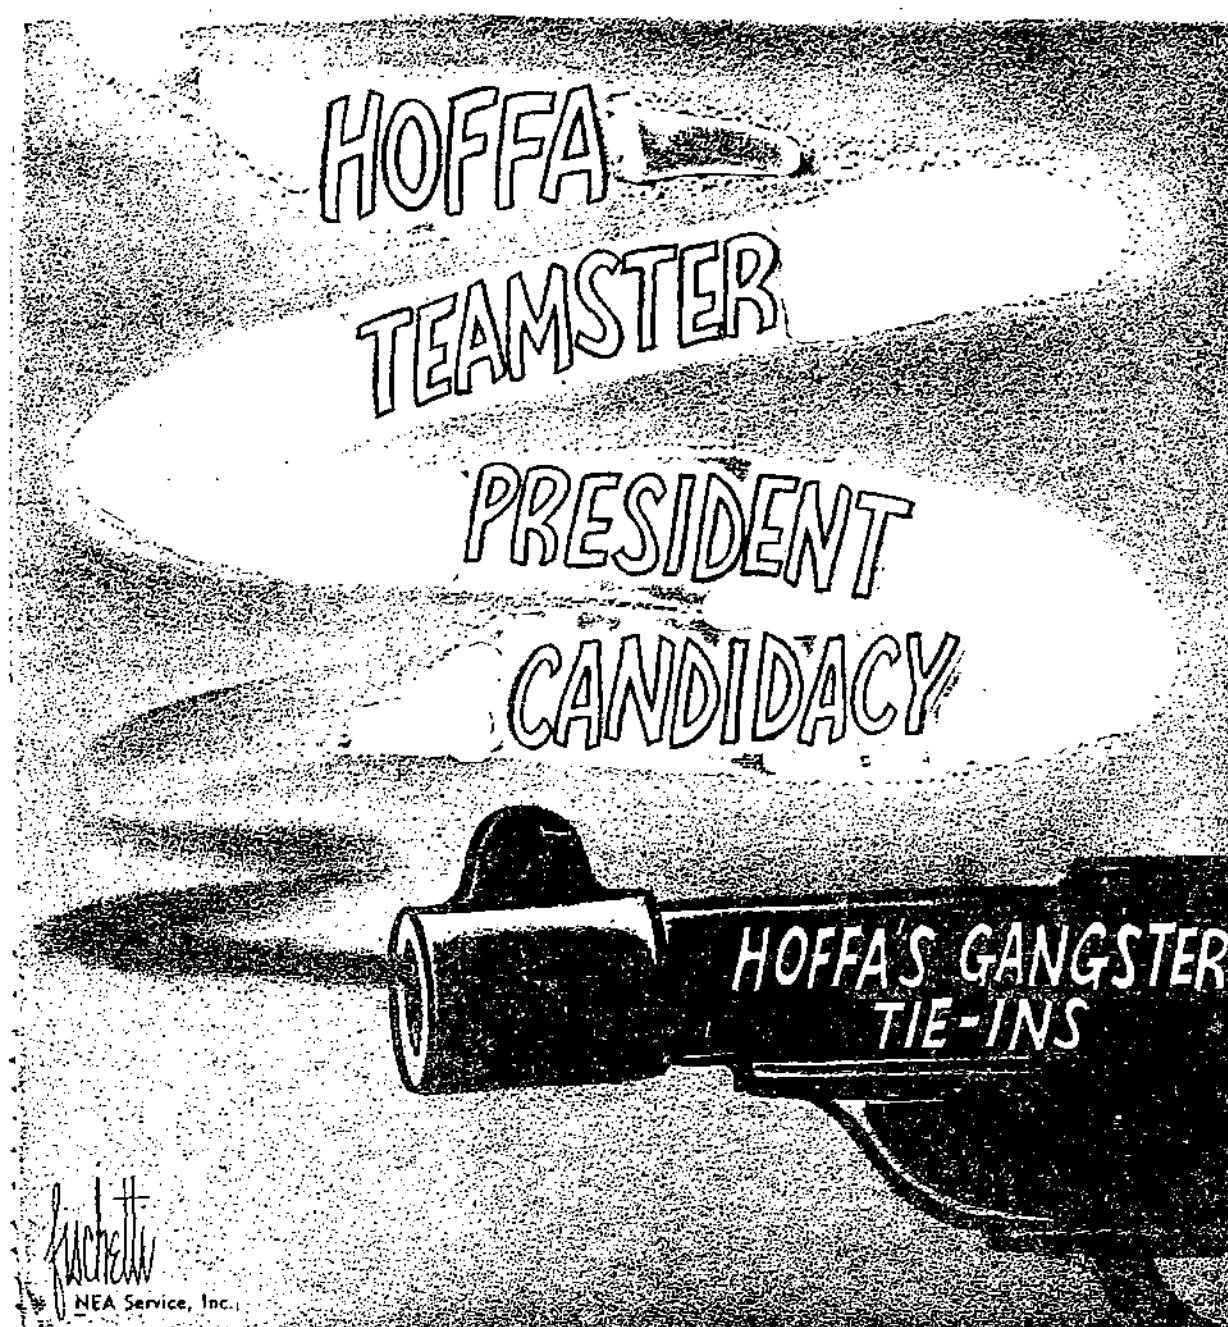

INSPIRING NEW FEATURE

We are happy to call attention to an impressive new religious art feature introduced today on the church page. "The Power of Prayer" is a religious cartoon drawn by a famous magazine artist, Howard Brodie, who, as the feature indicates, has deep religious convictions, and among other accomplishments, writes the brief text accompanying each drawing which will appear in our Friday issue.

Says the Salamanca Republican-Press: When the House and Senate compromised differences, and sent to the President the omnibus public works bill, the last step but one was taken to make one million dollars available to start construction on the Kinzua dam and to complete the survey for flood control at Salamanca. This last remaining step appears to be mere formality. Under present law, the President cannot OK such items in an appropriation bill as he approves, and veto other items which he regards as unwise. It's a case of "whole hog or none." The bill must be approved in its entirety, or vetoed in its entirety.

Death last weekend in Jamestown, N. Y. of William J. Kribill, former resident of Warren, removes one of the last of the veterans who formerly operated trolley cars on the old Warren-Jamestown system. Mr. Kribill, born in Warren March 29, 1874, lived in this community most of his life, much of which time was spent with the Warren Street Railway Company and later as manager of the West Ridge Transportation Company, which had offices in the present rooms occupied by the Gustafson Optical Company, 101 Liberty street.

Smoke-Filled Room

Here and There

Couple of items in the "Daily Reflections" column of the Warren Evening Mirror of sixty years ago make interesting reading today. One of them says: "The latest thing is a 'bloomer social.' Canton is to have one, which is announced in the Sentinel in this manner: 'A Bloomer Social will be held Wednesday in the town hall at East Canton by the Cheerful Workers of the M. E. Church. Ice cream and cake will be served from three until ten. Supper will be served from five until six. All ladies not having bloomers to wear will be provided with such when they arrive. Proceeds for repairing M. E. church.' (They've come a long way from bloomers to blue jeans and shorts!)"

Whatever became of the banner that was presented to the Wetmore Hosiery Company August 16, 1897? The presentation was described in an Evening Mirror article in this manner: "Last evening the Wetmore Hosiery Company were presented with a splendid banner by Mr. Ed Wetmore after whom the company was named. The boys marched in uniform to his office

on Second street where the presentation took place. After a few appropriate remarks by Mr. Wetmore, Mr. A. E. Boeschlin responded in behalf of the company, who then returned to their quarters. The banner is made of white silk with heavy gold fringe and lettering. The principal feature upon it is a fireman in uniform. The banner cost \$185, and will be greatly prized by the Wetmores. It is on exhibition at the Boeschlin Cigar Store, Liberty street." (Now the B. & B.)

And a couple other items, just plucked at random from the paper of sixty years ago: Grandpapa—"Tommy, Tommy, you aren't behaving well. Do you know what I should do if I were a little boy like you?" Tommy—"Yes, Grandpapa, you'd do the same as I do, 'cause if you didn't you wouldn't be a little boy like me."

"If a man had a \$50 bull pup, he would look after it and not let it run around all night all over town. But if he has a boy it is different.

He is turned loose at a tender age to go to the devil, and then people wonder where the great army of tramps, bums, loafers, dead beats, gamblers and drunkards come from each decade. They are germinated from pure seed, gathered from our homes and sown broadcast on our streets and alleys. It may be that your boy is making a growth in this direction. By all events the boy ought to be given an equal showing with the bull pup," according to the Warren Evening Mirror, August 6, 1907.

Thoughts for Today

And if thou wilt walk before me, as David thy father walked, in integrity of heart, and in uprightness, to do according to all that I have commanded thee, and wilt keep my statutes and my judgments.—1 Kings 9:4.

To be a Christian is to obey Christ no matter how you feel.—H. W. Beecher.

WHEN you greet an acquaintance, call him by name. "Hello, Bill" or "Good morning, Mrs. Brown" sounds much more friendly than just "Hello" or "Good morning."

Besides, when you call a person by name he is sure that you aren't trying desperately to place him.

WHAT DOCTORS SAY ABOUT:

- Hay Fever Fallout
- Poison Ivy

Q. Are some people naturally resistant to poison ivy?

A. Yes. Two California doctors found that people born in the Orient are much less likely to be bothered by poison ivy and poison oak than people born in this part of the world.

Material in MEDICAL MIRROR is based on various scientific publications and does not necessarily reflect the opinion of all doctors. The diagnosis and treatment of disease requires the skill and knowledge which only a physician can apply by personally attending the patient.

Request For Funds To Fight Asiatic Flu Gets Approval

Washington (AP)—The Senate Appropriations Committee has increased by \$300,000 an Eisenhower administration request for funds to fight Asiatic flu.

The committee did this late yesterday in approving a \$11,700,000 supplemental money bill. Most of the funds in the bill would go to pay for military construction in the United States and abroad.

President Eisenhower had asked for \$500,000 to use against the Asiatic flu which government health officials have said may reach epidemic proportions in the United States this winter. The committee upped this figure to \$800,000 after hearing Surgeon General Leroy E. Eumey say unit amount questioning he believed that about 200 million dollars greater than the \$1,581,000,000 voted by the House. The Senate committee boosted House allotments for military construction projects. It also added funds for small business loans and several lesser items.

The POWER of FAITH

by Howard Brodie

Michelangelo, called the Titan because of his tremendous achievements—not only was he preeminent as a painter and sculptor but also he was an architect, poet and military engineer—once wrote:
"Nor have I, prompt for use, the needful power—my life, love, manners and my lot to change, without thy aid, enlightening and divine, Oh Lord."

West Coast May Have Major Franchise Within 72 Hours

New York (AP) — The West Coast very likely finally will have a major league baseball franchise within the next 72 hours, with San Francisco claiming the New York Giants.
The question of whether the Giants should flee New York and shift to California will be put before the club's board of directors Monday by President Horace Stoneham, who will recommend acceptance.
The board appears to be the last hurdle in San Francisco's bid to win the Giants. Stoneham already is sold. So is the National League, which approved such a switch May 28.
One or two members of the board reportedly are against a

shift to San Francisco, but there apparently is little doubt that Stoneham can win them over.
San Francisco's offer was received in official form by Stoneham last week, and starting with a 45,000-capacity city-built stadium, meets Stoneham's earlier demand for a "satisfactory proposition."
Stoneham probably will place a contract proposition for closed-circuit televising of Giant games in San Francisco before the board Monday. The contract reportedly carries a minimum guarantee of a million dollars annually and Stoneham already has advised his stockholders, "I can sign the contract the minute we're ready to move."

Mahan & Anderson To Be Back Among The Foud Saturday

Warren's Emory Mahan, back from National Guard camp, and Jamestown Art Anderson, his car in running order again, will be battling to clamber into the thick of things in Saturday night's late model racing card at State Line Speedway.

Both were among the missing in last week's slam-bang attraction at the State Line oval, on the Cortwright Road just south of Busti, N. Y. John McGinley of Chicora, took the 25-lap feature after an eight-car tangle in the fifth go-around had knocked several leading contenders out of the running.

Vellsville's Dean Layfield, track point leader, raised his margin to 100 points over second-place Paul Wilson of Jamestown by finishing third. Wilson was fifth.

Hard-driving Joe Sauner of Jamestown, the hottest thing at the track lately, had to settle for fourth last week after a spin-out cost him almost a lap. He'll have to be contented with this week-end when the green flag drops on the first of seven events at 8:30 p. m. Another 25-lap feature will climax the card.

Meanwhile, State Line officials are looking ahead to Sunday, August 25, when close to fifty motorcyclists will invade the track for an AMA-sanctioned three-star event. This meet will be the first three-star run in the area, and promises to draw entries from Ohio, New Jersey and Ontario as well as Pennsylvania and New York.

Speaking of Sports ---

Announcement has been made that the Arcade Bowling Alleys will open Monday evening. An advertisement appearing elsewhere in this issue calls attention to the rates that will apply during the season.

Jim Schorman, Warren, won the championship consolation fight title by winning 5 and 4, over John Wiquist of Jamestown in an 18-hole final of Jamestown Junior Golf Tournament yesterday afternoon. Len Stewart of Brookville, became champ with a championship flight 36-hole, 8 and 7 victory over John Lincoln of Jamestown at Municipal Course. Arnold Rowland, Russell, became the tournament's fourth titlist by scoring a 1 up triumph over Bill Angove of Akeley in the first flight's beaten eight. Dave Lundgren of Jamestown captured first flight laurels by defeating Denny Lyons, also of Jamestown, 6 and 5, over 18 holes. Winding up the four days of play in a style that met with the unqualified approval of all 32 contestants, a dinner was served in the clubhouse, with Ben Avallone, one of the committee members, as host.

Toby Lyons, Moon Brook Country Club pro, presented winners' and runnersup trophies to the other six finalists, and, as an added touch, presented 12 gift certificates.

Millions of women write this cryptic note on their calendars every month. It reminds them to practice a life-saving technique.
You see, these are the fortunate women who saw our film BREAST SELF-EXAMINATION and learned a simple method of examining their breasts for possible signs of cancer. They learned, too, that most cancers are curable if discovered early and treated properly.
We urge every woman to see BREAST SELF-EXAMINATION. For information, call the nearest unit of the American Cancer Society or write to "Cancer" in care of your local Post Office.

One Hits Two on Three Lane at Starbrick Today

A swerve to avoid an accident brought \$1,600 worth this morning about 6.45 on the three-lane east of Warren near Warren Tank Car Company in Starbrick. Fred Gagliardi, 43, of 116 Cayuga avenue, was proceeding west when, according to the story told troopers, he jammed on his brakes to avoid a car which had slowed in front of him. His car veered into the left lane, bashed into the side of one east bound vehicle and ticked by another. Driving the first eastbound car was Theodore Marshall, 29, of Tarentum. His machine sustained \$600 damages. Driving the second car was James O'Neil, 22, of RD2, Franklin. His auto escaped with \$10 damage. Gagliardi kept the lion's share of the damage about \$1,000, to himself. There were no injuries.

ALUMINUM CHAPEL—The many-spired aluminum chapel projected for the Air Force Academy, model above, will probably be built after all. The House earlier voted against allowing funds for the church at the Colorado Springs school when legislators called the design a "monstrosity" and a "glant accordion." But the legislators have relented and okayed the building.

KIWANIS INTERNATIONAL—Construction of a permanent home office building in Chicago or Kiwanis International will begin late this winter. The building, shown above in architect's drawing, will be air conditioned throughout. Its exterior will be composed of dark opalescent imported granite and textured, light Georgia marble, with enameled aluminum pilasters and plate glass windows. Currently there are 4,400 Kiwanis clubs with some 251,000 members in the U.S., Canada Alaska and the Hawaiian Islands. Kiwanians are aiming for 7,000 clubs by 1965, their 50th anniversary.
